SPDES Number: NY 0265276

Dear Permittee:

The purpose of this correspondence is to notify you of a Department initiated modification to the above-referenced State Pollutant Discharge Elimination System (SPDES) permit. This modification is undertaken in accordance with the provisions of the Uniform Procedures Act [6 NYCRR 621.14(a)(4)] and is due to the amendment of the existing regulation governing the administration of SPDES permits (6 NYCRR 750). The amendments incorporate provisions of the 'Part II General Conditions' supplement that serves as an additional set of conditional requirements to your SPDES permit. These amendments may be found in the enclosed copy of 6 NYCRR 750 in Section 750-2, entitled 'Operating in Accordance with a SPDES Permit.' You may also access this regulation from the internet on the Department's website at <http://www.dec.state.ny.us/website/regs/750.htm> for html format or <http://www.dec.state.ny.us/website/dow/part750.pdf> for a two sided format suitable for binding and copying.

The amendment of 6 NYCRR 750 duplicates many of the provisions of the 'Part II General Conditions' supplement, and includes some revisions and additions to those conditions. The specific language of the modification is contained in the attached modification page that is to be appended to your existing permit.

The Department's Uniform Procedures Act affords permittees the right to comment on Department initiated permit changes [6 NYCRR 621.14(d)]. After reviewing the content of 6 NYCRR 750-2 and its effect on your SPDES permit, should you have any objections to the permit modification, you may submit a written statement to the Department giving reasons why the permit should not be modified, request a hearing, or both. Any statement or request for hearing must be made within 15 calendar days of the mailing of this letter. Failure to submit a timely request or statement will result in the modification of your permit, becoming effective May 06, 2004.
